## EXPERIENCE

### MCR WEB SOLUTIONS | FULL STACK INTERN

May 2022 - Current | Bhimavaram, Andhra Pradesh

- Currently working as a Full Stack Developer while gaining knowledge and expertise from more seasoned experts.
- Creating websites that prioritise clients' goals while emphasising usability and flexibility.
- **College Alumni Website**, **Conference Website of UoH** are some of the significant works.

### BHIMAVARAM ONLINE | ECOMMERCE INTERN

May 2022 - Current | Bhimavaram, Andhra Pradesh

- Incorporating local stores and their items into the Bhimavaram Online Ecommerce App, as well as managing their shop operations on the platform.
- Creating digital assets to boost store visibility on the app, including product banners, category visuals, promotional video content, and overall store banners.
- Driving student engagement and exposing them to newly added stores via interactive activities like **Housie** and **Quizzes** made possible by store sponsorships.

## PROJECTS

### SAANA (COLLEGE ALUMNI WEBSITE) | TEAM LEAD

Jan 2023 - Current

- SAANA - SRKR Alumni Association of North America, is a website for an alumni organisation that covers registration with payment gateway integration, member management with their details, and all other components of an alumni website.
- Technologies Used : HTML, CSS, JavaScript, PHP, MySQL
- Website Link : <https://thesaana.org>

### CTFPPB2023 | UoH CONFERENCE WEBSITE

Oct 2022 - Feb 2023

- CTFPPB - Current Trends and Future Prospects of Plant Biology
- A user centric and mobile-responsive web portal dedicated to the University of Hyderabad's School of Life Sciences. The goal was to establish a forum that brings together great minds in plant biology to debate the most recent advances and future prospects.
- Technologies Used : Bootstrap, PHP, MySQL
- Website Link : <https://ctfppb2023.com>

### KSHATRIYA KALYANALU | SELF-LEARNING PROJECT

2022

- A website for a matrimonial agency that displays the agency's agendas, social activities, a good looking gallery, and all information on the founder and other members.
- Technologies Used : Bootstrap, PHP, MySQL
- Website Link : [KshatriyaKalyanalu](#)
